

## **F-star Therapeutics to Host Full-Year 2020 Investor Call and Provide Corporate Update on March 29, 2021**

March 16, 2021

CAMBRIDGE, United Kingdom and CAMBRIDGE, Mass., March 16, 2021 (GLOBE NEWSWIRE) -- [F-star Therapeutics, Inc.](https://www.f-star.com/) (NASDAQ: FSTX), a clinical-stage biopharmaceutical company dedicated to developing next generation immunotherapies to transform the lives of patients with cancer, announced today that it will host a full year 2020 investor conference call and webcast on Monday, March 29, 2021 at 9:00 a.m. EDT. The F-star Therapeutics management team, including Eliot Forster, CEO and Darlene Deptula-Hicks, CFO, will discuss 2020 financial results and provide a corporate update.

To access the call, participants may join via a live webcast on the Investors and News section of the F-star Therapeutics website, under [Events and Presentations](#) or participants can dial 1-833-471-0868 in the US/Canada or 1-914-987-7751 for International calls, at least 10 minutes prior to the start of the call.

A replay of the conference call will be available beginning March 30, 2021 and may be accessed in the Investors & News/Events and Presentations section on the F-star Therapeutics website for 90 days.

### **About F-star Therapeutics, Inc.**

F-star is a clinical-stage biopharmaceutical company developing tetravalent bispecific antibodies for a paradigm-shift in cancer therapy. By developing medicines that seek to block tumor immune evasion, the Company's goal is to offer patients greater and more durable benefits than current immunology treatments. Through its proprietary tetravalent, bispecific natural antibody (mAb<sup>2™</sup>) format, F-star's mission is to generate highly differentiated best-in-class drug candidates with monoclonal antibody-like manufacturability.
