

APRIL 12, 2021

F-START THERAPEUTICS, INC.

General Counsel Update

John Fitzpatrick, General Counsel, has stepped down as of the beginning of April. F-star plans to transition to U.S.-based legal model over the course of the year. John will continue to work with the company as a consultant for a period of time to implement a smooth transition.

John has been a key member of F-star's leadership team and outstanding General Counsel over the last years as F-star became a U.S.-listed biotech. We thank John for his contributions to F-star and for providing legal expertise with a unique skill set as we successfully transformed the company, including completing an innovative reverse merger and bringing a biotech to the U.S. capital markets.

Inquiries may be directed to Lindsey Trickett at Lindsey.Trickett@f-star.com.
